

November 3rd, 2009

To the Parents of Star Skaters and Competitive Skaters –

The Gloucester Skating Club (GSC) has now entered its 2009-2010 skating season and has had a few opportunities for parents and skaters to start accumulating their volunteer hours to count towards the mandatory hours. Your volunteer Board of Directors has started contacting some of you to fill key positions and help identify all required positions for the remainder of this skating season.

In order to simplify and ease the task to fill-in all required volunteer positions, a sign-in board with activities, dates and times will be placed in the lower hallway leading to the dressing rooms by the GSC bulletin board starting Monday, November 9th and ending Friday, November 20th and will remain there during the club operations. Note that the sign-in board may be moved to the coach's room when other activities are held at the Bob MacQuarrie Recreation Complex i.e. during hockey tournaments, etc.

This will ensure that all club families will have an opportunity, on a first come first serve basis, to fulfill their mandatory hours in activities that will suit their interests and times. Should you have a special interest in an activity not posted, which you believe the GSC could benefit from, such as fund raising, marketing, or sponsorship, do not hesitate to contact one of the members of the Board of Directors.

Please do not forget to have your **Member Volunteer Tracking Form** completed and signed by a committee/board member following each activity. **Once your 15 hours are completed**, (minimum 6 hours to be served towards EOSIC), return the tracking form to the office and your post-dated cheque will be returned to you.

“Together we all Win – So Volunteer.”
