

FundScrip - Frequently Asked Questions

What makes FundScrip different than other fundraisers?

Members register with FundScrip and then purchase gift cards from retailers in virtually every category from grocery and gas to department and specialty stores. With each gift card purchase, FundScrip pays a % (ranges from 2% to 15% depending on the retailer) back to you. The Club is pleased to offer our **StarSkate and Competitive members** 100% profit on earnings* – earnings which can be put towards your child's ice fees and other charges on their Club account.

Many traditional fundraisers involve going door to door to sell raffle tickets, chocolates, etc. With FundScrip there is no door to door selling. By purchasing gift cards through FundScrip before you shop at your favourite stores, you will earn money to put towards your child's skating.

Shop with your purchased gift cards, and use the gift cards as you would with cash. It's that easy and there are no additional costs to you!

* The Club is in a position to offer 100 % at this time. Should the Club's position change in the future we may have to change the profit-sharing split.

How do I sign-up?

Register online as a supporter – it's free and easy! Go to www.fundscrip.com. Click on Sign Up (top right hand corner), provide the sign up information required. You will be asked to enter GSC's invitation code, which is: **HPL6DY**. Confirm your Sign up (you will receive an email at the address you signed up with).

**** As of February 1, 2010, existing FundScrip members will be charged a \$20 annual participation fee. You will see the charge on your statement of account as you would any other charge. ****

How do I make purchases?

Purchases can be made electronically from your FundScrip account.

Sign-up for **Electronic Fund Transfers** – print off the form from the FundScrip web site, complete it, and fax it to FundScrip with a void cheque to the number indicated on the form. You can also scan and email the form to eft@fundscrip.com. You will receive an email when your EFT account has been activated.

Note: Credit Card purchases are also available; however, **Electronic purchases are preferred. They cost you nothing and you keep more of your earnings!** Credit card purchases are charged an additional fee of 2.25% and ARE NOT ADVISED!

Payments **cannot** be made from skaters' GSC accounts. If a skater has a credit on their account it cannot be used to purchase cards through FundScrip.

How often can I make purchases?

Purchases can be made every **two weeks**.

Order deadlines are every second Monday at 9:30 am EST (subject to change based on statutory holidays)

Last updated: September 28, 2010

An order and delivery calendar is available on the GSC web site under the FundScrip tab.

Where and when do I pick up my gift cards?

Gift Cards can be picked up from the Club Office on Thursdays, the same week as the order deadline. Check the GSC web site for office hours.

How will I receive my earnings?

GSC will allocate 100%* of the earnings to individual members' accounts calculated based on their monthly purchases.

* The Club is in a position to offer 100 % profit-sharing at this time. Should the Club's position change in the future we may have to change the profit-sharing split.

Sample Calculation:

\$800 in monthly purchases X 3% (average card earnings) = **\$24 in earnings applied to your skater's account**
