GSC Skater

# CANADIAN EH!

Kaiya Ruitter started her skating journey right here in Ottawa on the canal with her parents and older sister Keaghan. Kaiya then joined us at the Gloucester Skating Club in our CanSkate program. Once she completed that program, she started training with Coach Darlene and Coach Krista.

The GSC Club Competition would give Kaiya her first taste of competing and that would be the beginning of quite a competitive career to date. This would include, while representing GSC, becoming the 2016 Pre-Juvenile U11 Skate Ontario Champion.

Kaiya would like to express her deepest gratitude to GSC, the great coaches, volunteers, and skaters for creating such a wonderful environment for her to learn and grow as a skater. It truly built the foundation of her skating that has allowed her to grow and develop and have some incredible experiences.

The Ruitter family then moved west and Kaiya continued her training and development in Edmonton for a year before moving again to Calgary. Kaiya has now been in Calgary for a few years working with Scott Davis and Jeff Langdon and represents the Calalta Figure Skating Club.

Kaiya continued to progress in her development as a skater and a competitor. Kaiya has had two seasons, in 2019 and 2021, representing Canada on the ISU Junior Grand Prix circuit, earning a silver and a bronze at the events in Courchevel, France. Kaiya was also the 2020 Canadian Junior National Champion and represented Canada at the 2020 ISU Junior World Championships in Estonia.

In late 2021, Kaiya would suffer a difficult leg injury which would derail the rest of that season. She persevered, returned to training only to have a relapse in the summer 2022 with scar tissue and nerve damage as she was preparing for this past competitive season. Kaiya worked through that and was able to return to full time training in August as she prepared for her first season at the Senior level.

Kaiya earned her first Senior International competition and represented Canada at the 2022 Ice Challenge in Austria, winning the silver medal. At this year's Skate Canada National Championships, Kaiya won the long program and finished second overall to become the Women's National Silver Medalist. Kaiya would then be named to Team Canada for the 2023 ISU Junior World Championships.

The Junior World Championships would be an exceptionally special event as it was not only in Kaiya's hometown of Calgary, but would be competed in her home rink at WinSport – Canada Olympic Park. In front of a home audience, with friends, family and supporters cheering her on, she skated two brilliant programs and finished in 10<sup>th</sup> place, earning Canada two spots for the 2024 Junior World Championships.
